Azura Benguerra, Bazaruto Archipelago

This luxury eco-boutique retreat consists of 20 villas, out of which two are the new Royal Beach Villas, one is the Villa Amizade and one is the Presidential Villa. The Infinity and Luxury Beach Villas are furnished in contemporary style and have 100 m² under roof. Each villa is just footsteps from the beach and each is equipped with their own infinity pool, air-condition, king size bed with oversize mosquito net, mini bar with tea and coffee making facilities, sundeck as well as a beachside sala. Whilst all villas offer outside showers, the Infinity Beach Villa also offers a large bathroom with panoramic bath. The Beach Villas are a little smaller in size and offer good value for money.

Villa Amizade is a two bedroom villa located at the end of the property and offers more than 185 m² under roof. It is perfect for families or a couple requiring more of a private residence feel. There is an en-suite indoor and outdoor bathroom, an air-conditioned lounge opening to a spacious dining and sitting area and a wine bar. The terrace, deck chairs and hammock by the 10 m fully tiled swimming pool invite you to relax and enjoy. In the lounge there is a flat screen TV, DVD, Bose Sound Dock and selection of games. The maximum occupancy at the villa is four people including children.

The Presidential Villa at Azura is the epitome of style and luxury offering complete privacy. There are two very spacious en-suite bedrooms, a stylish separate lounge area with fireplace, air conditioning, dining area and 'wine bar' as well as a 16 m infinity edged swimming pool. In the private kitchen your personal chef caters for your personal wishes. A third small en-suite bedroom is suitable for children or nannies. Maximum occupancy is six people including children.

The two Royal Beach Villas each feature a spacious bedroom similar to the Infinity Beach Villa and offer an additional lounge area, which could accommodate two children on a sofa bed, if required. Each of these two villas also features a 10 m Infinity Pool. These two villas are located nearby the Presidential Villa.

With the sea right there, many of the activities are focused around it. You can snorkel or dive, go for fly or big game fishing. There is further a possibility to go out with the Dugong protection team to search for this shy endangered mammal. Or at certain times help to protect and release the turtles from their nests on the shores. You may want to sail on a dhow or cruise to deserted beaches to look for pansy shells. Enjoy swimming with the dolphins, which are regular visitors at the beach or track down humpback whales on their migration past the shores. There is a professional Padi Watersports Centre at Azura. The Spa at Azura offers signature treatments based on local ingredients and traditions.
