Cape Town - Hermanus – Madikwe Game Reserve

Day 01: Cape Town

On arrival at Cape Town Airport you are met by a representative of our local partner agency for your private transfer to your Boutique Guesthouse. Your hosts are more than accommodating with excellent service. Kensington Place (Superior)

Day 02 - 04: Cape Town / Privately guided tours

Spend 3 full days to explore Cape Town and it's attractions during three privately guided tours. *We have planned in a privately guided full day tour visiting Cape Town, during which you visit Table Mountain (weather depending) with its breathtaking views of the Cape Peninsula, the ocean and the city from up top. This is followed by a tour of the city visiting Castle of Good Hope and District Six Museum. Your guide is also taking you through the colourful living quarters of the Bo-Kaap, also known as the Malayan quarters and Kirstenbosch Gardens.* We have planned in a full day privately guided tour to the Cape Peninsula with a visit to Cape of Good Hope, where the funicular takes you up to the highest point in the Nature Reserve, from where you have a sweeping view over the Atlantic. You may also want to visit the penguins at Boulders Beach. *A privately guided full day tour into the picturesque winelands with a visit to selected estates has also been planned in for you.* 3x Kensington Place (Superior Room) B

Day 05: Cape Town - Hermanus

Today your private road transfer of about 90 minutes takes you to the coastal village of Hermanus. This is the centre of whale watching from about June to late October, when the whales come to the Walker Bay every year to give birth to their calves. Birkenhead House, perched high on the cliffs of Hermanus overlooking the whale watchers' paradise of Walker Bay accommodates guests in the utmost luxury and is the perfect destination for those seeking the pinnacle of seaside living. The place itself is certainly also worth a visit, even outside of the whale season. Birkenhead House (Superior Room) B,L,D

Day 06 & 07: Hermanus

Relax for 2 days on the seaside. Enjoy taking a stroll for example along the coastline with a view of the ocean or observing the whales during whale season. *We recommend an optional boat trip, during which you get to see the seal colony, usually lots of whales during the whale season and sometimes dolphins, if you are lucky even the white shark.* This tour should ideally be pre-booked. The coastal walking trail leads right in front of the house offering sensational views onto the rocky coastline and providing unique photographic opportunities for those, who love nature. In whale season, it is impressive to watch the whales even from land during a nice walk along this path, or even from the terrace of your little boutique hotel. Birkenhead House also offers a small gym and selected massage treatments to their guests. 2x Birkenhead House (Superior Room) B,L,D

Madikwe Game Reserve is South Africa's fourth biggest Game Reserve. The lodge is named after the Swahili word 'Jamala', which means natural elegance. In the afternoon you may feel like resting on the terrace of this outstanding and owner run lodge, enjoying a so called 'sofa safari' with high tea and the animals frequenting the water hole right in front of the lounge deck. Or alternatively, you may already like to experience your first safari out. Jamala Madikwe Royal Safari Lodge B,D
