### White Sand Luxury Villas & Spa, South East Coast Zanzibar

White Sand Luxury Villas & Spa is a small boutique beach resort located on the idyllic beach of Paje on the south east coast of Zanzibar. This small boutique resort offers 11 spacious villas, which are divided in One-Bedroom Beachfront Villa, Two-Bedroom Family Villa and Five-Bedroom Presidential Villa. Each villa provides a private garden and consists of two units connected by a garden with private terrace and swimming pool. One area of the villa houses a living room with lounge and dining area. In the second area is the bedroom with king size bed, dressing area and bathroom. The Two-Bedroom Family Villas offer an additional bedroom as well as bathroom on the first floor, which can be accessed by an outside staircase. Each villa has air conditioning and offers WiFi access. In addition to the villas, there are 3 Cinnamon Rooms located near the resort's swimming pool, which are smaller and offer no private outdoor space. A restaurant, a small beach restaurant, the bar, the Rooftop Champagne Lounge, a small spa, the boutique as well as a water sports centre with a focus on kite surfing complete the resort's facilities. Regionally grown fruits and vegetables are the basis for the meals in the restaurant, where freshly caught fish and an impressive mix of flavours and spices of Zanzibar are combined with classic dishes. An extremely motivated team is doing everything to turn your stay into a very special and relaxing holiday.

It is important to know that the tides on Zanzibar are visibly more distinct, then for example in the Seychelles or Mauritius. Especially at the east coast of the island, during low tide, the sea extends far out, so that during low tide, the swimming in the ocean from the beach is often not possible or only limited. Instead, long walks on the beach can be experienced, especially as the sandy beach on Zanzibar is almost everywhere soft and white and thus optimal for a walk. The resorts also have wonderful swimming pools, so you can enjoy swimming in the swimming pool at low tide. In our opinion, Zanzibar is a wonderful beach extension after a safari and with the selection of the 'right' beach resort also a perfect base for relaxation in a sophisticated atmosphere.
