Benguerra Island - Vilanculos

Bazaruto Archipelago is approx. 64 km long and exists of 4 different islands. The Archipelago is located about 700 km north of Maputo and about 20 km east of Vilanculos. The 4 islands of the Archipelago are Bazaruto, Benguerra, Magaruque and Santa Caroline, which is also known as Paradise Island.

This marine area is one of the best game fishing areas worldwide and the local summer months October to March are best for game fishing. Numerous different corals and about 1.000 different fish species can be admired in the waters around the Archipelago. These conditions make Bazaruto Archipelago a diving and snorkelling paradise. An additional bonus is the warm water with approx. 23°C in winter and up to 31°C in summer.

Vilanculos is the gateway for the Bazaruto Archipelago. It can be reached by scheduled flights from Johannesburg and the Kruger National Park. Further, we gladly arrange for private charter flights directly from Botswana, Zambia or Zimbabwe for example as an extension to a wonderful safari there. From Vilanculos it takes about 10 minutes by helicopter to reach Azura Benguerra.

This luxury eco-boutique retreat consists of 20 villas, out of which two are the Royal Beach Villas, one is the Villa Amizade and one is the Presidential Villa. The Infinity and Luxury Beach Villas are furnished in contemporary style and have 100 m² under roof. Each villa is just footsteps from the beach, and each is equipped with their own infinity pool, air condition, king size bed with oversize mosquito net, mini bar with tea and coffee making facilities, sundeck as well as a beachside sala. Whilst all villas offer outside showers, the Infinity Beach Villa also offers a large bathroom with panoramic bath. The Beach Villas are a little smaller in size and offer good value for money.

Villa Amizade is a Two-Bedroom villa located at the end of the property and offers more than 185 m² under roof. It is perfect for families or a couple requiring more of a private residence feel. There is an en-suite indoor and outdoor bathroom, an air-conditioned lounge opening to a spacious dining and sitting area and a wine bar. The terrace, deck chairs and hammock by the 10 m fully tiled swimming pool invite you to relax and enjoy. In the lounge there is a TV and selection of games. The maximum occupancy at the villa is four people including children.

The Presidential Villa at Azura Benguerra is the epitome of style and luxury offering complete privacy. There are two spacious en-suite bedrooms, a stylish separate lounge area with fireplace, air conditioning, dining area and 'wine bar' as well as a 16 m infinity edged swimming pool. The two Royal Beach Villas each feature a spacious bedroom like the Infinity Beach Villa and offer an additional lounge area, which could accommodate two children on a sofa bed, if required. Each of these two villas also features a 10 m Infinity Pool. These two villas are located nearby the Presidential Villa.

With the sea right there, many of the activities are focused on it. You can snorkel or dive, go for fly or big game fishing. There is further a possibility to go out with the Dugong Protection Team to search for this shy endangered mammal. Or at certain times help to protect and release the turtles from their nests on the shores. You may want to sail on a dhow or cruise to deserted beaches to look for pansy shells. Enjoy swimming with the dolphins, which are regular visitors at the beach or track down humpback whales on their migration past the shores. There is a professional Padi Watersports Centre at Azura. The Spa at Azura offers signature treatments based on local ingredients and traditions.
