Thank you.

Dear Travel Agency Partners, dear clients,

Thank you for your interest in our tailor-made travel arrangements to Southern and Eastern Africa. It is great that you are thinking about your next journey to Africa. We would be delighted to be your chosen partner in putting together for you exactly the Africa journey that you have in mind.

We gladly listen to you, for which occasion you would like your journey, and which focus you would like to be considered in your journey. Whether you are looking for a pure combination of different safari areas, like to taste South African wines, like to be fascinated by unique whale watching, like to relax on selected beaches or feel like admiring impressive desert landscapes - we look forward to bringing you closer to the fascinating beauty and nature of our destinations with our carefully created journeys. You can be sure that we also have ideas if you would like to enjoy a special occasion during your journey or if you would like to have an exciting Africa programme with your children or grandchildren.

In our destination countries, we work together with long-standing partner agencies, whom we personally know. Some of these partnerships have been existing for more than 20 years. You can trust that the organisation of your precious holidays is in the very best hands with us. Our common goal is for our clients to have a wonderful Africa journey and to enjoy unique moments to be fondly remembered for years.

We would like to take this opportunity to thank our long-standing travel agency partners as well as our clients for placing their trust in us, especially during the last 3 challenging travel years. We are also grateful for the enthusiastic travel feedbacks, which are a pleasant acknowledgement of our work. Currently there are no more Covid-19 related requirements for entry into our destination countries.

We look forward to organising your Africa journey and hope that you too would soon be looking forward to going on safari again and enjoying your travel dreams in Africa in person.

Thank you and very best wishes,

Yours Ellen Spielberger and your committed Bush Legends Team
